6. Management of the ISA investments

6.1 We will manage your Account as directed by you in your application or other instruction, and in accordance with the Regulations and these Terms and Conditions.

7. Best execution

7.1 We are required to seek to achieve the best possible result for you when dealing with any order to buy or sell financial instruments and to set out arrangements for this purpose in a "best execution policy".

7.2 We are required to consider various factors when deciding how best to deal with orders from customers. These include price, cost, speed, likelihood of execution and settlement, size, nature and other relevant matters. As we have classified you as a Retail Client we will usually consider price to be the most important factor for you.

7.3 However, for orders relating to shares in the Funds, the only method available for dealing with most of these in practice is to transmit them to ACD for execution: the ACD will be deemed to be the "execution venue" for these purposes. Where there is only one execution venue that we can use in practice to deal with your orders, we will have to use that venue regardless of the impact of the execution factors listed above.

7.4 Sometimes one of the Funds may be available via another trading platform provided by a third party. Strictly speaking, this could be an alternative execution venue. However, we do not use such platforms for the Funds, as we do not believe that we would obtain a better price by doing so. The use of a particular platform may also not be permissible under the Regulations; for example, if it means that investments acquired through the platform must be held in the name of a nominee of the platform provider.

7.5 The arrangements explained above may involve execution outside of a regulated market or multilateral trading facility (within the meaning of the Rules).

7.6 We will monitor the effectiveness of the arrangements mentioned above and implement any necessary changes to our best execution policy from time to time. This will involve reviewing whether using other means to route orders would be feasible and would generate a better result for you. We will notify you of any material changes to our best execution policy and arrangements made from time to time, where they are relevant to you.

7.7 Please note any specific instructions from our customers as to how their orders are dealt with may prevent us from taking the steps that we have designed to obtain the best possible result in the circumstances. By agreeing to these Terms and Conditions, you will be giving: your prior express consent to the execution of orders outside a "regulated market" or a "multilateral trading facility" (as those terms are defined in the Rules) where this is appropriate; and your consent to our best execution policy as summarised above.

8. Appropriateness

We are not required to assess the suitability of the investment or service provided or offered to you and, as a result, you will not benefit from the protection of the Rules on assessing suitability. Therefore, we will not assess whether: the investment or service meets your investment objectives; you are able financially to bear the risk of any loss that the investment or service may cause; or you have the necessary knowledge and experience to understand the risks involved.

8.1 Legal title to the Investments will be vested in the name of the Manager but beneficial ownership will be, and will remain with the Investor. Your investment will not be lent to third parties or used as security for a loan.

8.2 Certificates will not be issued in respect of share holdings in the Fund(s) but any documents evidencing title to an ISA Investment will be held by the Manager or as the Manager may direct.

8.3 If you hold any cash in your Account, we will deposit it in a client money account in our name, with an appropriately regulated bank or institution of our choice in the United Kingdom in accordance with our obligations under the Rules. The bank will hold the cash on our behalf in a trust account separate to any account used to hold money belonging to us in our own right. We will not be responsible for any acts or omissions of the bank. In the event that the bank becomes insolvent we will have a claim on behalf of our customers against the bank. If, however, the bank cannot repay all of its creditors, any shortfall may have to be shared pro rata between them. No interest will be paid on such cash in accordance with the regulations.

9. Client money

Any client money (as defined by the FCA Handbook) received in relation to the issue of units that have not been passed onto the depositary by the close of business on the business day following the receipt will be segregated and treated in accordance with the FCA client money rules. Similarly, any client money received in the course of redeeming units, that have not been passed onto the investor by close of business on the business day following the receipt will be segregated and treated in accordance with the FCA client money rules. This means that the money is held in an account separate from that which the Manager uses to hold its own money. The manager will not calculate or pay to the investor any interest that might arise on those monies.

By signing the Funds application form clients are agreeing to Host Capital Limited using the exemption under CASS 7.11.21.R, allowing Host Capital to hold client's assets in the Firms bank account until the following business day after receipt.
